

Staying home doesn't mean you can't enjoy beautiful art or visit museum exhibitions. The Museum of Art and Archaeology presents another in a series of online exhibitions of past and current gallery exhibitions, as well as new, born-digital exhibitions. And we look forward to welcoming you back to our galleries as soon as permissible.

NEW Online Exhibition

Equine Art reveals a passion for the horse that can be found around the world throughout time. While revealing a remarkable diversity of artistic approaches, this exhibition also illustrates the different roles horses have played as they helped shape human history.
