Staying home doesn’t mean you can’t enjoy beautiful art or visit museum exhibitions. The Museum of Art and Archaeology presents another in a series of online exhibitions of past and current gallery exhibitions, as well as new, born-digital exhibitions. And we look forward to welcoming you back to our galleries as soon as permissible.

The Museum of Art and Archaeology is home to the Scruggs-Vandervoort-Barney Heart of the Nation collection of nearly 100 artworks inspired by Missouri cities, towns, and landscapes from the late 1940s. The SVB Collection was created to showcase both life in Missouri and Regionalist art. Originally a focus exhibition displayed at the Museum, this online exhibition includes forty additional works on paper and links to supportive material. Step back in time and travel the highways and byways of Missouri.
