## MUSEUM ON THE MOVE

Help the museum move to their new home in the heart of campus!

## We need **your** help!

The Museum's new home will be in the lower East level of Ellis Library and the space will be transformed to feature the Museum's collections. Various "home renovations" are needed, including reconfiguring future gallery areas, installation of appropriate lighting, and building custom cases for the ancient collection. Your financial support will ensure that the Museum's new home in the heart of campus will showcase its collections in the best possible atmosphere we can create.

Make a gift by credit card using the secure "Donation" button on the Museum Associates website at <https://maamuseumassociates.org> or by check made payable to Museum Associates and mailed to:
