East and West Mix in Images of Rural Taiwan

Curated by Mary Pixley

This exhibition focuses on the art of the painter Ran In-Ting (1903–1979), one of Taiwan's most famous artists. With a deep understanding of Chinese brushwork and the elegant watercolor strokes of Ishikawa, Ran developed a unique style that emphasized the changes in fluidity of ink and watercolor. By mastering both wet and dry techniques, he succeeded at deftly controlling the watery medium. Complementing this with a wide variety of brushstrokes and the use of bold colors, Ran created watercolors possessing an elegant richness like that found in oil painting.

The Museum is **FREE** and ADA accessible
