Staying home doesn’t mean you can’t enjoy beautiful art or visit museum exhibitions. The Museum of Art and Archaeology presents another in a series of online exhibitions of past and current gallery exhibitions, as well as new, born-digital exhibitions. And we look forward to welcoming you back to our galleries as soon as permissible.

This film recognizes the important contributions of women artists, from a variety of time periods and cultures, and the issues they have faced. Former curator Dr. Mary Pixley examines their art, as represented in the collections of the Museum, and gives the background story to these works and their creators. Some of the women artists discussed include Carrie Mae Weems, Mary Cassatt, Faith Ringgold, Maria Martinez, Helen Frankenthaler, and Elizabeth Catlett.
